

Each mashup consists of 3 songs whose names are the same length and whose names have exactly one letter that overlaps.

If you sort the overlapping letters by the length of the names, you get WHEREFORE (alternatively, you could just anagram it...)

Songs (I don't feel bad about choosing some obscure things since I made sure there were always lyrics that you could Google):

6 length: Whip It, Who Am I, Walk On - W

7 length: Lithium, No Phone, Kashmir - H

8 length: Renegade, Superman, Take On Me - E

9 length: Party Hard, Surrender, Born to Run - R

10 length: We Are Young, Read My Mind, Helicopter - E

11 length: Feel Good Inc., Freeze Frame, Fox on the Run - F

12 length: Bat Out of Hell, Crooked Teeth, Do You Realize - O

13 length: Bulls on Parade, Sons of Liberty, Before I Forget - R

14 length: Slapped Actress, Misery Business, You Can Call Me Al - E
